MagVision E3

Technical Specification

Material The writing board consists of E3 enamel white board mounted on magnetised metal. Like MagVision glass writing board, it has no frame and instead has white painted bevelled edges.

Measurements	Dimensions	Weight
	630x1000x15 mm	11,4 kg
	1000x1190x15 mm	22,5 kg
	1500x1190x15 mm	31,6 kg
	2000x1190x15 mm	41,5 kg
	2500x1190x15 mm	51,1 kg
	3000x1190x15 mm	61,4 kg

Size 630x1000 and can be mounted horizontally or vertically. Does not apply to other sizes.

Colour White.

Installation Mounted on wall using concealed fittings. When the board is mounted on the wall, the total depth is 15 mm.

Pen shelf Pen shelf in clear acrylic is attached with double-sided tape anywhere on the back of the bottom edge of the board. The shelf is available in two different sizes, length: 140mm/330mm.

Circularity Magvision E3 is a very durable whiteboard surface and meets the requirements for scratch resistance according to EN 14434:2010. This means that the surface can be used over time and reused without renovation.
