Soneo Wall Panel

The square is the most elementary of geometric shapes. Yet despite its simplicity, its dynamic potential is limitless. Soneo Wall, a versatile system of sound-absorbent square panels, makes this particularly apparent. The panels can be freely arranged into different patterns and upholstered in a multitude of fabrics and colours. They are also available in different depth, which can be combined to create even more dynamic patterns.

Specifications

This upholstered wall panels boasts a sturdy wooden frame and a sound-absorbing core. Available in different sizes and different modular depths.

Absorption

Certificates, images & CAD files:

abstracta.se/product/soneo-wall-stylish-sound-absorber/

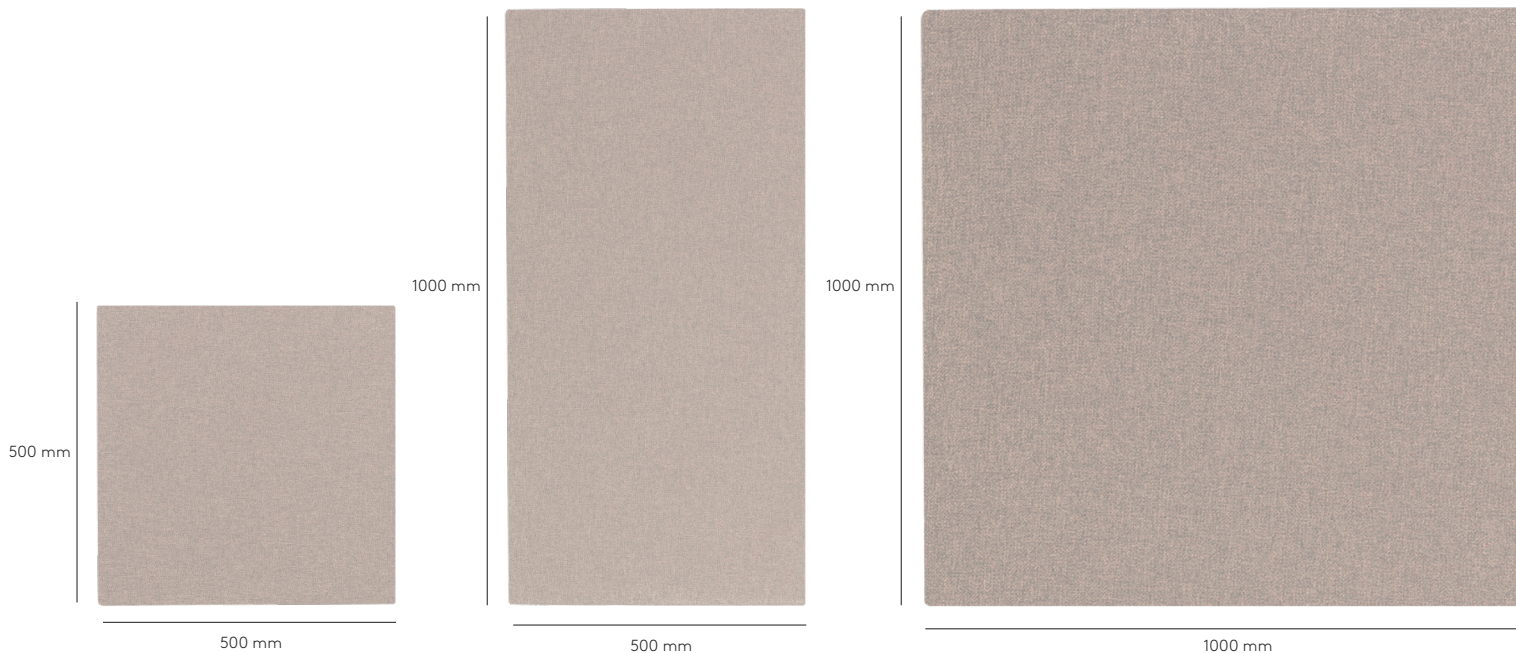

Pattern configuration tool:

<https://conf.abstracta.se/>

Create better sound absorbing features by mixing panels with different thicknesses; 30, 50 or 100 mm.

Soneo Wall Panel

Technical Specification

Material Solid wooden frame with sound-absorbing filling upholstered with fabric. Upholstery in a wide range of colors.

Dimensions/ Weight	500x500x30 mm/ 1,8 Kg	500x1000x30 mm/ 4 Kg	1000x1000x30 mm/ 7,2 Kg
	500x500x50 mm/ 2,2 Kg	500x1000x50 mm/ 7,2 Kg	1000x1000x50 mm/ 7,3 Kg
	500x500x100 mm/ 5,1 Kg	500x1000x100 mm/ 8,3 Kg	1000x1000x100 mm/ 12,9 Kg

Installation The wall absorbent is wall-hung using concealed suspension fittings in metal (included).

Circularity The sound-absorbing filling is made from stone wool, which can be recycled repeatedly without any loss in performance or quality. The product is designed to be reused and we offer 10 years spare part warranty. Use our reuse service when the product's lifecycle is over, see more: www.abstracta.se.
